

Jonesboro City Center

1859 Smith Street
Jonesboro, Georgia 30236

4PM was selected to manage the financing, design and construction of the \$17 million Jonesboro City Center Complex, which includes a new city hall, police station and community room. The 32,000 square foot project is located in downtown Jonesboro, Georgia and is part of the city's "Blue Print Jonesboro" initiative for revitalization. In 2019, 4PM also managed Jonesboro's Broad Street project, which included renovation of a historic firehouse into restaurant space, a gathering place for concerts and events and enhanced streetscape design.
